

# The results from FEMA's international survey on motorcycle parking

24 May 2022

By Wim Taal

From 14 April until 8 May 2022 FEMA conducted an online survey on motorcycle parking.

- 🏍️ 3,861 people from 38 countries responded to the survey.
- 🏍️ 95.52% of the respondents ride a motorcycle over 125 cc.
- 🏍️ 52.77% of the respondents use a motorcycle to ride to work or school.
- 🏍️ 38.57% of the respondents report the availability of dedicated motorcycle parking at their place of work or school.
- 🏍️ 42.71% of the respondents say it is clear where it is allowed to park a motorcycle in the place they live.
- 🏍️ 52.24% of the respondents report the availability of dedicated motorcycle parking in the place they live.
- 🏍️ 15% of the respondents say it is usually easy to find and understand the rules for motorcycle parking when travelling abroad.
- 🏍️ 69,49% of the respondents would not be willing to pay for motorcycle parking *without* facilities.
- 🏍️ 74.41% of the respondents would be willing to pay for motorcycle parking *with* facilities.
- 🏍️ Most requested facilities at paid parking areas are anti-theft measures and storage for helmet and motorcycle clothing.
- 🏍️ Bank cards and apps are the preferred way to pay for motorcycle parking.
- 🏍️ 67.08% of the respondents want parking spaces for motorcycles to be separated from car parking spaces.
- 🏍️ 88.94% of the respondents say motorcycles should be allowed to be parked anywhere if they do not cause nuisance for pedestrians and other road users.

Do you ride a motorcycle?

Do you ride your motorcycle to work or school?

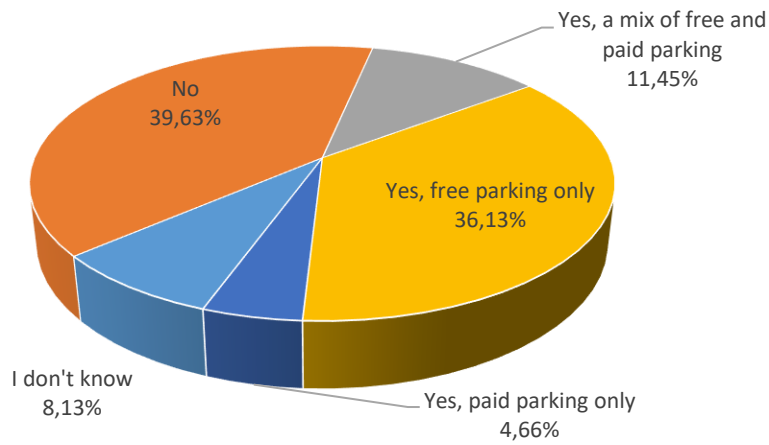

Is dedicated motorcycle parking available at your work or school?

Is it clear where you are allowed to park a motorcycle in the place you live?

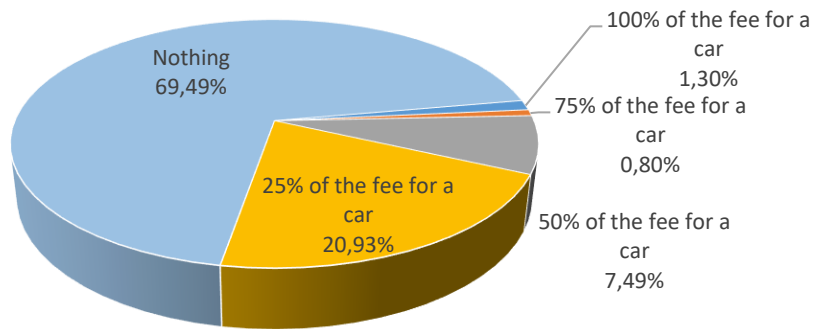

Is dedicated motorcycle parking available in the place you live?

If you travel abroad, is it usually easy to find and understand the rules for motorcycle parking?

Compared to a car, what would be the maximum you would be willing to pay for motorcycle parking **without** facilities?

Compared to a car, what would be the maximum you would be willing to pay for motorcycle parking **with** facilities?

What facilities would you like to see at paid motorcycle parking areas?

### How would you prefer to pay for motorcycle parking?

### Should parking spaces for motorcycles be separated from car parking spaces, or should motorcycles be allowed to park in car spaces?

### Motorcycles should be allowed to park anywhere, as long as they do not cause nuisance for pedestrians and other road users.

88.94% of the respondents say motorcycles should be allowed to be parked anywhere if they do not cause nuisance for pedestrians and other road users. Where in other surveys we sometimes see significant differences of opinion per country, on this issue riders from all over Europe are largely of the same opinion.
